Battery Installation and Operation

- Rokenbok recommends premium alkaline batteries for use in your Rokenbok machines.
- Batteries are to be inserted with correct polarity as shown.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or nickel cadmium batteries.

Skip Track

1. Press the on/off pushbutton on your Rokenbok machine. The lights will come on and an ascending tone will be heard.

2. Select Your Machine

Press and hold the **R** select button on the ROK Star Controller and aim the controller at the machine's receiver as shown. When a ringing chime is heard release the **R** button and the machine is in your control.

3. Operation

For optimal control aim the controller at the Rokenbok machine.

ROK Star Controller required, not included.

ROK Star is a unique technology that lets you:

- Control any number of Rokenbok machines with a single, wireless controller.
- Switch between vehicles on the go.
- Everyone can play! Add as many ROK Star controllers as you want.
